

**Introduction: Evidence-Based Practice of WRAP® Co-Facilitation**  
**Monday, Oct 26, 2020**  
**1:00 – 3:00 p.m. Central**  
**Virtual Format**

**Presented by: Copeland Center for Wellness & Recovery**  
**Matthew R. Federici M.S., C.P.R.P., Executive Director**  
**Todd Noack, Advanced Level WRAP® Co-Facilitator**

Co-sponsored by the Copeland Center, Doors to Wellbeing, Life Connections, and the Iowa Peer Support and Family Peer Support Training Program, and Iowa Department of Human Services

This webinar is an introduction and overview of the evidence-based practice (EBP) of WRAP® Co-Facilitation. It is designed as an orientation for peer specialists, family members, providers, system administrators, and community members interested in learning about WRAP®, the evidence-based practice, and its research and model of implementation. Participants in this webinar will gain a broad understanding of what constitutes the EBP of WRAP® and how to get started with implementation personally as well as on a system's level.

Through this webinar participants will:

1. Describe the evidence base for WRAP® Co-Facilitation
2. Define the concepts, values, and structure of the Wellness Recovery Action Plan
3. Apply next steps to getting started with WRAP® implementation
